Sir,

Please refer to your RTI application received in this Division on 07.06.2018.

2. The Information requested by you is replied as given below:

Government has been taking initiative to promote the spread of Hindi language worldwide. As per this effort Indian leaders have delivered statements at the UN and other international forums in Hindi. A World Hindi Secretariat has been set up in Mauritius in February 2008 to promote Hindi as an international language. Efforts to promote Hindi worldwide are also being made by our Diplomatic Missions abroad in coordination with Indian Council of Cultural Relations (ICCR) through activities such as establishment of Chairs of Hindi language in universities abroad, scholarship and fellowships to foreign student to study Hindi, internationally distributed publications such as "Gagananchal", and holding of various types of international conferences pertaining to Hindi.

Government of India has also taken steps to get Hindi recognised as official language of UNO. In light of this objective the 8th World Hindi Conference was organized in New York on 13th July 2007 and its inaugural session was held at the UN Headquarters which was attended by the UN Secretary General. At the last World Hindi Conference organised in Bhopal from 10-12 Sep. 2015 one of the sessions of the Conference was devoted to the theme Videsh Niti Mein Hindi ("Hindi in Foreign Policy") in which one of the recommendations reiterated was that Hindi should be made a UN language. A Committee has been established under the Chairmanship of External Affairs Minister for implementation of this and other recommendations made at the Conference. The United Nations is also broadcasting its programmes on the UN Radio Website in Hindi.

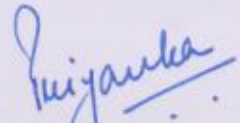

The question of addition of any language including Hindi in the list of official languages of the United Nations has procedural, financial and legal aspects. As a first step, a formal resolution needs to be adopted by a majority of the 193 member states of the UN General Assembly.

The procedure for inclusion as an official language in the UN involves adoption of a Resolution in the UN General Assembly by a simple majority and its final passage by a two-third majority of the total membership of the United Nations.

In the financial year 2017-18 Rs. 5 crores has been allocated for the propagation of Hindi worldwide through the Diplomatic Missions/Posts of India abroad. Allocations for this purpose over the last three years were: Rs. 3 cr. (2014-15); Rs 3cr. (2015-16) and Rs 4.99 cr. (2016-17).

Necessary arrangements were made for simultaneous interpretation of these statements in English by the Permanent Mission of India in New York. The Government of India's Necessary arrangements were made for simultaneous interpretation of these statements in English by the Permanent Mission of India in New York. The Government of India's sustained efforts have also ensured that the United Nations offers its programmes on the UN Radio Website in Hindi also.
