Sir,

Please refer to your RTI application dated 01.06.2016 received in this Division. Reply to your queries related to this Division is as under:

2. Response for queries No.1 is as follows -
3. India is actively engaged in the ongoing Inter-Governmental Negotiations on UNSC reform at the UN. Further, we are working alongside other reform-oriented countries through the G-4 (India, Japan, Brazil and Germany) and the L.69 Group (cross regional grouping of developing countries).
4. However, the question of India's membership of the Security Council would be considered only after an agreement on the nature and extent of expansion of the Council is arrived at in accordance with the provisions of the UN Charter which requires approval by 2/3rd of the Members of the United Nations
5. Article 23 of the Charter of the United Nations states that "the Security Council shall consist of fifteen Members of the United Nations. The Republic of China, France, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland, and the United States of America shall be permanent members of the Security Council. The General Assembly shall elect ten other Members of the United Nations to be non-permanent members of the Security Council."
6. Further, Article 108 of the Charter of UN states that "amendments to the present Charter shall come into force for all Members of the United Nations when they have been adopted by a vote of two thirds of the members of the General Assembly and ratified in accordance with their respective constitutional processes by two thirds of the Members of the United Nations, including all permanent members of the Security Council."
7. The information sought with regard to question no.2 is not available in the records of this division.
