Sir,

Please refer to your RTI application received in this Division on 30.09.2016. Query No. 6 of your RTI application pertains to UNP Division and response to your query is as follows:

2. Established in 1945 under the Charter of the United Nations, the United Nations General Assembly (UNGA) occupies a central position as the chief deliberative, policymaking and representative organ of the United Nations (UN). Comprising all 193 members of the UN, General Assembly provides a unique forum for multilateral discussion of the full spectrum of international issues covered by the Charter. It also plays a significant role in the process of standard setting and the codification of international law.

As a founding member of the UN, India strongly supports the purposes and principles of the UN and has made significant contributions to implementing the goals of the Charter, and the evolution of the UN's specialized programmes and agencies. Further relevant information regarding India's achievement in UNGA is available online on the following link: <http://www.mea.gov.in/india-and-the-united-nations.htm>
