**VISIT OF DELEGATION FROM ANGOLAN MINISTRY OF  
AGRICULTURE / INSTITUTE OF VETERINARY SERVICES TO INDIA  
(2-12 AUGUST 2019)**

A delegation comprising representatives from the Angolan Ministry of Agriculture and Forestry (Institute of Veterinary Services) is currently visiting India from August 2-12, 2019.

The delegation, which includes Mr. Paulo Joaquim Adelino Afonso and Mr. Joaquim Joao Massolari Dinis from the Veterinary Institute, interacted with officials/experts of India's APEDA - Agricultural and Processed Food Products Export Development Authority, to explore ways and means to enhance and double the volume of food & meat exports from India to Angola.

On 2 August, 2019, the delegation met the APEDA team, led by Dr. Tarun Bajaj, General Manager (Organic, Animal Products), APEDA. During the meeting, the APEDA team gave a presentation on India's meat exports and future prospects and potential for further enhancement of meat exports to Angola. The APEDA team also provided an overview of the various disease control measures and programmes being undertaken in India.

During the course of this visit, the Angolan delegation is scheduled to visit other Indian cities viz. Chandigarh, Lucknow, Agra and Aligarh. The visiting Angolan team will also undertake conducted tours of food processing plants and would also meet Plant owners/Exporters with their technical teams.
