- (vi) Two projects such as (i) Sustaining the Economy in Urban Alofi by Boosting retail Resilience and (ii) Village plans for building resilience in village infrastructure using low carbon and sustainable design principles for the safety and wellbeing of communities at a cost of NZ\$ 7,10,000/- have in principle approval of MEA. However, details regarding technical specification are awaited from the Niue side to process it further for financial approval.
6. PM Shri Narendra Modi also announced allocation of US \$ 1 million to each PSID towards implementation of a high impact development project in the area of their choice at the India-Pacific Islands Developing States (PSIDS) Meeting on 24 September, 2019 in New York on the side lines of UNGA. However, Niue did not attend the meeting as it is not yet a member of the UN.

### **Development Initiatives:**

7. **Niue Centre of Excellence in Information Technology** in Alofi, funded by GoI was set up by C-DAC at the University of South Pacific, Alofi, the capital of Niue at cost of Rs. 2.41 Cr. It became operational in August 2020 with the deployment of personnel from C-DAC. On 15 September 2022, the Centre was transferred to the Government of Niue in a ceremony held at the Taoga Niue Auditorium, Alofi. The Acting Premier of Niue, Honorable Sauni Tongatul, was the Chief Guest at the ceremony in which a total of 22 students were also given certificates for completing courses in various domains.

8. Consequent to the decisions taken at the first two FIPIC Summits, Government of India has approved grant of **gratis e-TV to nationals of 14 Pacific Islands Countries including Niue**. Other proposals which are currently being pursued for implementation are: deputation of ITEC experts, setting up of **Tele-medicine centre** and supply of medicines by Indian Pharma PSUs directly to PICs subject to relaxed regulatory approvals. For the years 2017-18 and 2018-19, five **ITEC** slots each were allocated to Niue with 'nil' utilization. Since the year 2019-20, the allocation has been reduced to two slots, but utilization remains at 'nil.' Despite repeated attempts to improve ITEC slot utilization, Niue, being a very small country with a population of just 1,600 people, has not responded.

### **Indian community in Niue:**

9. Niue is a small country of about 1500 to 1600 people and there is one family of Indian origin running an Indian restaurant in Alofi, the capital.
