

INDIA - INDONESIA BILATERAL RELATIONS : BRIEF NOTE

INDIA-INDONESIA BILATERAL RELATIONS

India and Indonesia share two-millennia old close cultural and commercial contacts. The Hindu, Buddhist and later Muslim faith traveled to Indonesia from the shores of India. The stories from great epics of Ramayana and Mahabharata form source of Indonesian folk art and dramas. The shared culture, colonial history and post-independence goals of political sovereignty, economic self-sufficiency and independent foreign policy are unifying factors of bilateral relationship. The famous Bali Yatra, a week long festival, is celebrated with a great deal of fervour and gaiety in both India and Indonesia.
