Corrigendum-1

Tender No. IWAI//KPMU/45/2016

- 1) The last date for submission of bid for “Request for Proposal (RFP) for Appointment of Contractor for Removal and Disposal of 2 number Wrecks from Sittwe Port, Myanmar” under Kaladan Multi-Modal Transit Transport Project” has been extended up to **10.05.2017 at 1500 hrs (IST)**. Accordingly, the bid opening date is now **11.05.2017 at 1530 hrs (IST)**.
- 2) **Clause -26.2 Wreck removal (page no.- 54-56)**

Para below under this clause has been modified as follows;

At the end of complete wreck removal job, the contractor will carry out sonar sweep of area of 1000 meters radius in the channel already dredged for 7.9 m depth from the wreckage position to detect any pieces pertains to these two wrecks lying on the seabed or up to a depth of 7.9 m. However, bidder has to ensure that 7.9 meters depth dredged channel is free from wreck or its remains. Any new wreck or its remains, if detected, then removal of such wreck or its remains are not in the present scope of work. In case any wreck piece of these two wrecks is detected during sonar sweep, it should be removed and then wreck free certificate should be issued to IWAI / MEA. The SONAR Sweep will be witness by MEA/IWAI representative. Hence minimum 10 days notice prior SONAR sweep would be required.
