E-NOTICE INVITING TENDER FOR

**Supply and installation of Exhaust pipe with
structure for 500 KVA DG set**

Tender No. Q/CPC/862/2/16		Dated: 10/01/ 2018
Important Dates		
Date of Publication	11.01.2018 (1200 hrs)	
Bid document download start date	11.01.2018 (1300 hrs)	
Clarification start date	11.01.2018 (1300 hrs)	
Clarification end date	17.01.2018 (1100 hrs)	
Bid submission start date (online)	24.01.2018 (1100 hrs)	
Bid submission end date (online)	03.02.2018 (1100 hrs)	
Date of Technical Bid opening (online)	05.02.2018 (1500 hrs)	
Date of Financial Bid opening (online)	To be notified later	

The bid shall be submitted online only at Central Public Procurement Portal website at <http://eprocure.gov.in/eprocure/app> .

Manual bids will not be accepted.

Part - I
Instruction to bidders

Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Online bidder Enrolment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID/ password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP

Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.

- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers' public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (ie after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 3070 2232.

Part - II
INTRODUCTION

1. **Tender Objective & Brief Scope of work**

The Ministry of External Affairs invites proposals for the following:-

**Supply and installation of Exhaust pipe with
structure for 500 KVA DG set**

Part - III
General Terms and Conditions

1. Bidders are requested to go carefully through the general instructions contained in the bid document which consists of the following:

i)	Instructions to bidder	Part-I
ii)	Introduction	Part-II
iii)	General Terms & Conditions	Part-III
iv)	Opening of Bids	Part - IV
v)	Submission of Bids	Part-V
vi)	Financial Information as per form A	Annexure-I of Part III
vii)	Format for Technical Bid	Annexure-I of Part V
viii)	Format for Financial Bid	Annexure - I of Part -IV

The bidders are expected to examine all instructions, terms & conditions and formats contained in the bid document. Failure to furnish all information required as per the bid document or submission of bid not substantially responsive to the requirements of the bid document, in any respect, may result in rejection of the bid.

2. **Eligibility Criteria for bidders**: On behalf of the President of India, Ministry of External Affairs invites online Tender in Two bid System (Technical Bid and Financial Bid) from civil contractors who fulfil the qualifying criteria as listed below (but not necessarily in order of priority):
- (1) Civil contractors having experience of 03 years in the field of civil work or contractors registered with CPWD having experience of 03 years as on 31.12.2017. The bidder will provide proof of the date of registration.
 - (2) The bidder should have average annual financial turnover of Rs 10 lakhs during the past three years. The bidder should attach attested copies of Audited Annual Financial Statements to confirm the same.
 - (3) Experience of the bidder must include civil construction work, for minimum of 3 years as on 31.12.2017. The interested bidder should have satisfactorily completed work during the last five years ending last day of March 2016 as detailed below:
 - (i) Completed three similar/Civil works each costing not less than Rs. 4 lakhs annually or
 - (ii) Completed two similar/Civil works each costing not less than Rs. 5 lakhs annually
or
 - (iii) Completed one similar/Civil work costing not less than Rs. 8 lakhs annually.

- 7
- (4) The bidder should have adequate manpower and other resources with good experience and adequate training in the respective service areas.
 - (5) The bidder must have modern equipment and latest technical expertise for civil work.
 - (6) The bidder should be ready to give performance security of 5% of the Accepted Tender Value at the time of signing of agreement.
 - (7) The bidder will have to ensure compliance with all labour laws/regulations. This will include payment of minimum wages and other benefits prescribed by the Government of NCT of Delhi and having appropriate licenses. Copies of all relevant registration documents are to be submitted with the pre-qualification bid.
 - (8) There is no Tender Fee.
 - (9) Machinery, equipment, implements, material and consumables proposed to be used should be clearly indicated.
 - (10) Any wrong or misleading information will lead to disqualification.
 - (11) Estimated cost of the work is Rs. 5 lacs.

3. General instructions

- Issuance of this Tender, your preparation and submission of a response and the subsequent receipt and evaluation of your response by Ministry authority does not commit Ministry to award a contract to any bidder, even if all requirements stated are met.
- Mere submission of information does not entitle the bidder to meet an eligibility criterion. Ministry reserves the right to vet and verify any or all information submitted by the bidder
- If any claim made or information provided by the bidder in the bid or any information provided by the bidder in response to any subsequent query by Ministry, is found to be incorrect or misinterpretation of facts, then the bid will be liable for rejection.
- After the selection, the successful bidder must be able to commence the service within 7 days after the signing of contract between the Ministry & the Contractor.
- All rates and lump-sum amounts, if any, shall be firm throughout the duration of the contract and no deviations shall be entertained by Ministry in this context.
- The bidders shall deploy adequate manpower, machinery and resources to ensure completion of work in stipulated time.
- Should any new areas of work not envisaged as being part of this Tender document are added, the prices for the new areas of works shall be mutually agreed between the Ministry and the bidders based on the actual rate analysis or as per the prevailing rates as agreed in this Tender document.

- The bidder would be responsible for all mandatory compliances for social, safety and environmental issues related to the performance of the service provider in the Ministry premises.
- Ministry reserves the right to remove any person found unfit.
- Defect Liability Period for the work is 12 months from the date of receipt of certificate of completion of work by Ministry.
- Payment will be made after satisfactory completion of the work
- Work should be completed in 2 calendar months.

4. **Place of Work and Site visits**

Intending bidders shall visit the site as per schedules indicated by Ministry and shall get themselves thoroughly acquainted with the local site condition.

5. **Validity of the Proposal**

Bids shall be valid for a period of 90 days from the last date of submission of the document to Ministry.

6. **Bid Security/Earnest Money Deposit**

- All prospective bidders are required to submit an Earnest Money deposit for an amount equal of Rs.10,000/- valid for three months from last date of submission of tender.
- This EMD shall be in the form of a Demand Draft with a validity of three months payable at NEW DELHI and drawn in favour of 'Pay & Accounts officer, Ministry of External Affairs, New Delhi' from any nationalized bank. Tenders that are not accompanied by the Earnest Money Deposit are liable for rejection.
- The Earnest Money of the unsuccessful bidders will be returned within 30 days after the expiration of the period of bid validity.
- The Earnest money will be forfeited on account of one or more of the following reasons:
 - ◆ The bidder withdraws his bid during the period of bid validity.
 - ◆ In case of a successful bidder fails to sign the agreement in time and furnish performance guarantee.
- The successful bidder would be required to sign the agreement and furnish the Performance Security. The EMD of the successful bidder may be adjusted in the Performance Security by depositing the difference in amount of Performance Security or alternatively EMD could be refunded by taking a fresh Performance Security.

7. **Performance Security**

- This amount has to be submitted before the commencement order is given at the time of signing the final agreement with the successful bidder and it shall remain valid during the tenure of defect liability period. The value of the performance security will be an amount equal to 5% of Accepted Tender Value.

- Performance Security may be furnished in the form of and Account Payee, Demand Draft, Fixed Deposit Receipt from a commercial Bank or Bank Guarantee from a commercial bank.
- This performance security deposit money shall be refunded within 60 days after the expiry of defect liability period provided there is no problem with the work executed by contractor.
- No interest shall be paid on the performance security.

8. **Forfeiture of Performance Security**

- The guarantee amount in full or part may be forfeited in the following cases:-
 - o When the terms & conditions of the contract are breached.
 - o When the bidder fails to comply with minimum service levels agreed upon.
 - o When work executed by the contractor does not complete the defect liability period satisfactorily.
 - o Failure of the bidder to comply with statutory requirements shall constitute sufficient grounds for the annulment of the award and forfeiture of the Performance Security.
 - o Notice of 15 days time will be given in case of forfeiture of Performance Security.

9. **Taxes and Duties**

The bidder must include in their bids all duties, royalties and sales/service taxes or any other taxes as applicable. The tender inviting authority will entertain no extra claim on this account. In case of any variations in the taxes, the same shall be charged to Ministry after production of the relevant government notification.

10. **Employees**

The contractors must employ qualified/competent and police verified personnel on site for the execution of the agreed tasks. The contractors shall comply with the provisions of all applicable labour legislations but not limiting to the following acts:

- Minimum Wages as per Delhi Government Notification
- Employer Liability Act including ESIC, EPF Acts
- Workmen Compensation Act
- Industrial Disputes Act
- Child Labour Act (Regulation and abolition)
- Contract Labour Act (Regulation & Abolition)
- Apprentices Act

11. Bidder's description format Summary

Name of the bidder firm/contractor	
Name of the Authorized Signatory	
E Mail ID	
Telephone No.	
FAX No.	
Year of Registration	
Registration No.	
Service Tax No.	
Registered Office & Address	
Branch offices if any	
Total turnover in the latest financial year	
Total Staff strength	
Total Technical staff percentage	

a. **Bidder Information** - More detailed information on the following aspect may be given in typed form.

i) **Business Background**

- How many years has your firm been in business? How many years under its present business name?
- Attach a current organizational chart and include the total number of employees in your firm in India, by various locations.

ii) **Claims and Suits (Explain any "yes" answers)**

- Has your firm, its subsidiaries or its parent companies, ever filed for Bankruptcy?
- Has your firm ever failed to complete work awarded to it?
- Are there any judgments, claims, arbitration proceedings or suits pending or outstanding against your firm or its officers?
- Has your firm filed any lawsuits or requested arbitration with regard to any contract(s) within the last five years?

iii) **Geographic Capability**

- Please provide a listing of your offices in India (with contact information, phone & fax numbers, e-mail etc.) and a listing of the areas in which your firm has performed Property Management services.

iv) **Financial Information**

- Please provide copies of your firm's audited financial statements for the last 3 years.

Proposed Organization Chart at site level for this project

Annexure - I

12. Other terms & Conditions of Tender

Note: Bidders must read these conditions carefully and comply strictly while sending / submitting their tenders.

i) General conditions

If any dispute arises out of the contract with regard to the interpretation, meaning and breach of the terms of the contract, the matter shall be resolved in accordance with the ICADR Arbitration Rules, 1996. The authority to appoint the arbitrators shall be the International Centre for Alternative Dispute Resolution. The International Centre for Alternative Dispute Resolution will provide administrative services in accordance with the ICADR Arbitration Rules 1996. The place of arbitration proceedings shall be New Delhi. The language of the arbitration proceedings shall be English.

ii) Change orders

This Agreement may be amended or modified with consent of both parties in writing signed by the duly authorized representatives of the respective parties. No variation in or modification of the terms of the Contract shall be made except by written amendment signed by both the parties i.e. the successful Bidder and Ministry.

iii) Right to accept any bid and to reject any or all bids

The MEA reserves the right to accept any bid, and to annul the tender process and reject all bids at any time prior to award of contract, without assigning reasons & without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Ministry action.

iv) Site Visits

The bidders shall visit the work place, understand the scope of work thoroughly (even if it is not mentioned in this Tender) and quote for. The bidder shall in coordination with the office of CPC , Telephone No.24108867 visit the site.

v) Notification of award

Prior to the expiration of the period of the bid validity, Ministry will notify the successful bidder in writing that its bid has been accepted. The notification of award will constitute the formation of contract within 7 days. Upon the successful bidder's furnishing of performance security, Ministry will notify each unsuccessful bidder and will discharge its EMD.

vi) Termination of Contract

- The Ministry may, by written notice sent to the contractor, terminate the contract, in whole or in part at any time for its convenience. The notice of termination shall specify that termination is for the Ministry convenience, the extent to which performance of work under the Contract is terminated and the date upon which such termination becomes effective.
- The contractor shall pay the expenses of stamp duty for execution of agreement.
- If the contractor imposes conditions, which is in addition to or in conflict with the conditions mentioned herein, his tender is liable to summary rejection. In any case, none of such conditions will be deemed to have been accepted unless specifically mentioned in the Agreement prepared by Ministry and agreed upon by Contractor.
- The Ministry reserves the right to accept or reject any bid without assigning any reasons thereof.

vii) Special Conditions

- The contractor shall be deemed to have visited the site(s) and made themselves familiar with the working conditions whether they actually inspect the site(s) or not.
- The contractor shall not pay wages lower than minimum wages of labour as fixed by the Govt. of India for application in NCR area.
- The fair wage referred to in will be deemed to be the same as the minimum wages payable as referred to above.
- The tender shall remain open for acceptance for a period of 90 days from the last date of submission.
- The contractor shall employ as his representatives, servants and workmen after verifying their antecedents and loyalty before employing them for the works. He shall ensure that no person of doubtful antecedents and nationality is, in any way, associated with work.

14. Detailed Scope of Work (Technical Services)

S. No.	ITEM DESCRIPTION	UNIT	APPROX QTY.
1.	Extension of D.G. Exhaust pipe line by using ASTM A-106 GR. B SCH. 40 STD. ϕ 219.1 MM SEAMLESS CS Pipe, make Jindal MSL/ TATA, BS-10 Table-F CS flanges and heavy class long radius bends of matching diameter along with necessary nut, bolt, washers and U-clamps etc thereon as required, welding to be done as per best engineering practise by following high standard welding procedure, complete in all respect finished with one primary followed by two secondary coats of heat resistant heatex paint by first allowing previous coat to get fully dry to a thickness of minimum 25 microns per coat, reducing the diameter not allowed, the upper most end to be bend and chamfered at 45 degree and to be closed by welding a wire mesh of mi. 10 gauge MS wire having 1-inch x 1-inch openings to stop entry of any bird into the pipeline	Running Metre	17
2.	Providing and fixing MS supporting structure all around the chimney, comprising of ISMC 100, ISA 75x8 and ISA 65x8 and other angle iron sections higher than ISA 50x6 size duly joined to each other to form a tower of size 1.2M X 1.2M; the structure to have landing platforms of 8mm thickness chequered plate at each 3 meter height, access ladder up to top starting from 3 meter height complete with fall protection cage a required for safety of the personal who may be working on it. Main vertical supports of structure shall have base plates of 20 mm thickness duly welded at bottom with necessary reebs of 8 mm thickness thereon with each support; entire structure shall be made safe against lightening from sky by providing a continuous 50x6 GI strip affixed thereon with brass bolts and nuts or 25x3 copper strip for better conductivity for earthing from top to bottom of the structure. Entire structure to be provided two coats of zinc chromate metal primer followed by two coats of weatherproof epoxy paint of appropriate shade in such manner that successive coat shall be applied only after fully drying of previous coat to a minimum thickness of 25 microns	Running Meters	17
3.	Civil work with all construction material for making foundation suitable for erection of above pipeline with its supporting structure – including cost of necessary excavation in soft soil up to a depth of 2 meter from existing ground level, compacting, ramming, making soil bed hard, providing stone soling bed, followed by providing and laying of readymix in PCC and RCC of appropriate mixing proportion for making platform of	Job	1

	2m x 2m at bottom and 1.5m x 1.5m at top with embedded bolts anchored at bottom as suitable for withstanding dead load of tower as well as dynamic load due to winds. The foundation shall include the cost of suitable reinforcement by steel bars as required, curing, plastering and finishing floor level in good manner as desired by client, including cost of carting away of surplus excavated material/debris etc.		
4.	Providing and fixing Lightening Arrester, aviation light and wiring from top to bottom	Set	1
5.	Providing and making Electrical Earthing of tower and pipe by using Copper plate of 600 mm x 600 mm x 6 mm thick and perforated pipe of min. 63mm bore inserted in wet soil up to a minimum of 3 metre depth or as required as per site conditions, complete in all respect tested ok as per standard practice	Set	1
6.	Providing and fixing Thermal insulation of exhaust pipeline by LRB (light resin bonded) mattresses of thickness 100 mm x density 150 kg/m ³ make Rockwool/Minwool/Lloyds with embedded chicken wire mesh, cladding by 24 SWG aluminium sheets make – Balco/ Hindalco, Including the bends/ flanges therein, by fixing appropriate size steel screws and washers; cladding to be done in such a manner and workmanship that it shall protect direct entry of rain water into the insulation done; workmanship of work should be good to ensure proper finishing having regular diameter all over	Running Meter	17
7.	As above in item no. 5, insulation of Residential type Silencer – if required	Number	1

- No other property/installation of Ministry should get affected during this construction.

COMMERCIAL TERMS & INSTRUCTIONS

1) Tender Submittal

Commercial bid to be submitted in the below mentioned Price bid template and all the information should be filled in at the appropriate places.

PRICE SCHEDULE

Part-VI

AGREEMENT FOR SUPPLY AND INSTALLATION OF EXHAUST PIPE WITH STRUCTURE FOR 500 KVA DG SET INSTALLED AT MEA RESIDENTIAL COMPLEX CHANAKYAPURI, NEW DELHI

This Agreement is made at New Delhi on this ... day of, 2018.

BETWEEN

President of India represented by Ministry of External Affairs, Government of India (hereinafter referred to as "Ministry") having its headquarters at 23 D, Janpath, New Delhi - 110021, acting through its authorized representative, Shri Manoj Kumar Pujari, Under Secretary (Housing)

AND

M/s....., a firm/firm/company registered with CPWD having its Head Office at, through Director, who is duly authorized to sign and execute this Agreement on behalf of firm/contractor (herein after referred to as firm/contractor, which expression shall include its successors, assignees and legal representatives), hereinafter collectively referred to as "Parties" and individually as "party".

THIS INDENTURE WITNESSETH AND IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

- 2. It is agreed upon between the Parties to this Agreement that this is a commercial contract between firm/contractor of professional nature and the Ministry. In performance of its agreed duties as per terms and conditions of the contract, the firm/contractor shall at all times act as an independent agency. The contract does not in any way create a relationship of principal and agent between the Ministry and the firm/contractor. The firm/contractor shall not act or attempt or represent itself as an agent of the Ministry.
- 3. Under no circumstances the employees of the firm/contractor can claim to be the employees of the Ministry nor shall such relationship be considered to exist. The employees of the firm/contractor would have no claim against the Ministry for their monetary, non-monetary claim or any other claim including but not limited to, the permanency in employment of the Ministry. The personnel appointed at the site by firm/contractor, will work under supervision, direction & control of the firm/contractor for carrying out activities agreed upon in terms of the Agreement. However, firm/contractor

will be accountable to Ministry for any complaint(s) on providing the requisite satisfactory services as per Agreement, at the site. The Agreement is on principal-to-principal basis.

4. Firm/contractor is required to supply and install exhaust pipe with structure for 500 KVA DG set installed at Ministry of External Affairs, Plot No. 37 & 38, Dr. S. Radhakrishnan Marg, Chanakyapuri, New Delhi - 110021.

SCOPE OF WORK

S. No.	ITEM DESCRIPTION	UNIT	APPROX QTY.
•	Extension of D.G. Exhaust pipe line by using ASTM A-106 GR. B SCH. 40 STD. \varnothing 219.1 MM SEAMLESS CS Pipe, make Jindal MSL/ TATA, BS-10 Table-F CS flanges and heavy class long radius bends of matching diameter along with necessary nut, bolt, washers and U-clamps etc thereon as required, welding to be done as per best engineering practise by following high standard welding procedure, complete in all respect finished with one primary followed by two secondary coats of heat resistant heatex paint by first allowing previous coat to get fully dry to a thickness of minimum 25 microns per coat, reducing the diameter not allowed, the upper most end to be bend and chamfered at 45 degree and to be closed by welding a wire mesh of mi. 10 gauge MS wire having 1-inch x 1-inch openings to stop entry of any bird into the pipeline	Running Metre	17
•	Providing and fixing MS supporting structure all around the chimney, comprising of ISMC 100, ISA 75x8 and ISA 65x8 and other angle iron sections higher than ISA 50x6 size duly joined to each other to form a tower of size 1.2M X 1.2M; the structure to have landing platforms of 8mm thickness chequered plate at each 3 meter height, access ladder up to top starting from 3 meter height complete with fall protection cage a required for safety of the personal who may be working on it. Main vertical supports of structure shall have base plates of 20 mm thickness duly welded at bottom with necessary reebs of 8 mm thickness thereon with each support; entire structure shall be made safe against lightening from sky by providing a continuous 50x6 GI strip affixed thereon with brass bolts and nuts or 25x3 copper strip for better conductivity for earthing from top to bottom of the structure. Entire structure to be provided two coats of zinc chromate metal primer followed by two coats of weatherproof epoxy paint of appropriate shade in such manner that successive coat shall be applied only after fully drying of previous coat to a minimum thickness of 25 microns	Running Meters	17

•	Civil work with all construction material for making foundation suitable for erection of above pipeline with its supporting structure - including cost of necessary excavation in soft soil up to a depth of 2 meter from existing ground level, compacting, ramming, making soil bed hard, providing stone soling bed, followed by providing and laying of readymix in PCC and RCC of appropriate mixing proportion for making platform of 2m x 2m at bottom and 1.5m x 1.5m at top with embedded bolts anchored at bottom as suitable for withstanding dead load of tower as well as dynamic load due to winds. The foundation shall include the cost of suitable reinforcement by steel bars as required, curing, plastering and finishing floor level in good manner as desired by client, including cost of carting away of surplus excavated material/debris etc.	Job	1
•	Providing and fixing Lightening Arrester, aviation light and wiring from top to bottom	Set	1
•	Providing and making Electrical Earthing of tower and pipe by using Copper plate of 600 mm x 600 mm x 6 mm thick and perforated pipe of min. 63mm bore inserted in wet soil up to a minimum of 3 metre depth or as required as per site conditions, complete in all respect tested ok as per standard practice	Set	1
•	Providing and fixing Thermal insulation of exhaust pipeline by LRB (light resin bonded) mattresses of thickness 100 mm x density 150 kg/m ³ make Rockwool/Minwool/Lloyds with embedded chicken wire mesh, cladding by 24 SWG aluminium sheets make - Balco/ Hindalco, Including the bends/ flanges therein, by fixing appropriate size steel screws and washers; cladding to be done in such a manner and workmanship that it shall protect direct entry of rain water into the insulation done; workmanship of work should be good to ensure proper finishing having regular diameter all over	Running Meter	17
•	As above in item no. 5, insulation of Residential type Silencer - if required	Number	1

I. Materials, Consumables & Spares

Tools & tackles required for the execution of work will be supplied by the Firm/contractor. This will include technical kits and accessories including step ladders and safety equipments that are of appropriate type, quality, and safety.
