[25-27 May, 2025]

An All Party Parliamentary Delegation led by Shri Ravi Shankar Prasad, Hon'ble Member of Parliament, is visiting France from 25-27 May 2025 to convey India's strong stance against terrorism.

Today, the delegation was briefed at the Embassy of India, Paris. They also met various Paris-based think-tanks with whom they discussed India's firm and clear message against terrorism, and the challenge posed by terrorism to the world. The delegation conveyed that the terrorist attack in Pahalgam was a deliberate attempt to undermine peace and development in the Union Territory of Jammu and Kashmir, and that India had responded through Operation Sindoor in a precise, targeted, proportionate, and non-escalatory manner. The delegation further emphasized that India of today has a policy of zero tolerance towards terrorism, and would not differentiate between terrorists and their supporters.

Further, the All Party Delegation met with Indian community members where India's strong and united stand against terrorism was conveyed. The community members showed their full solidarity with India's fight against the scourge of terrorism.
