**Press Release – DAY 1**

A multi-party Parliamentary delegation led by Hon'ble Ms. Supriya Sule, MP, Lok Sabha, reached today in Addis Ababa for a short visit. The visit is taking place in the context of April 22 terrorist attack on innocent civilians in Pahalgam in Jammu & Kashmir in India. The terrorists from across the border murdered 26 people, including one national of Nepal, causing the largest number of civilian casualties in a terrorist attack in India since the 26 November 2008 attacks in Mumbai. The attack in Pahalgam was marked by extreme barbarity, with the victims mostly killed with head-shots from close range and in front of their families.

The manner of the attack was also driven by an objective of provoking communal discord, both in Jammu and Kashmir and the rest of the Nation and convey their terrorist motives to rest of the world. This was followed by a measured, non-escalatory, proportionate, and responsible response by India on the mid-night of 06/07 May 2025 under Operation Sindoor.
