AMBASSADOR MEETS MAYOR OF BALATONFÜRED

Amb Kumar Tuhin visited Balatonfüred and met Mayor Istvan Boka on May 5. A floral Tribute was given by the two dignitaries at the statue of the celebrated Nobel laureate & legendary poet Rabindranath Tagore on the banks of Balaton lake (at Tagore Setany). Tagore had stayed in Balatonfüred for a few months in 1926 and had planted a linden tree here.

160th ANNIVERSARY OF TAGORE CELEBRATED

The Embassy of India in Hungary celebrated the 160th anniversary of Gurudev Tagore in partnership with the office of Mayor of Balatonfüred on May 5th at 11 am. The event began with address by Amb Tuhin and Mayor Boka. There was a talk by Dr. Imre Lazar, noted cultural diplomat on the role of Hungarians in Vishwabharti University, founded by Tagore in Kolkata, India. This was followed by a vibrant cultural programme with a melodious rendition of Tagore's

famous poetry 'Gitanjali' in Rabindra Sangeet (special form of vocal music conceptualised by Tagore).

This event also marked the opening of celebrations being held by the Embassy to commemorate 75 years of India's Independence which is being celebrated during 2021-22. On this occasion a webinar on the topic "Tagore in Hungary, Role of Hungarians in Vishwabharti in shaping the independence process" was also organised later in the day, in which several speakers presented their thoughts through presentations, films & speeches. Dr. Udaya Narayana Singh, Dean, Amity University, Dr. Imre Bangha, Professor, Oxford University, Akos Toth, film Maker & Colonel Sandor Pellek were some of the participants. Special poetry rendition of the translated version of tagore's 'Where The Mind is Without Fear' was done by Hungarian poets.

INDIA EU LEADERS MEETING

The leaders of the European Union (EU) and its Member States and India, met in hybrid format on 8 May 2021 in Porto for a very historic meeting. The meeting was an unprecedented occasion when the Prime Minister of India was a special invitee at the EU Council Meeting. Prime Minister Modi and Prime Minister of Portugal Antonio Costa Costa jointly wrote an Op-ed in the leading European media portal 'Politico' emphasizing the significant potential of the India-EU relationship to advance trade and investment ties, support effective multilateralism and a rules-based order.

India-EU Leaders' Meeting Key Outcomes

- Resumption of negotiations between India and the EU for Trade and Investment Agreements after 8 years;
- Start negotiations for an agreement on Geographical Indications;
- Dedicated dialogues on WTO issues, regulatory cooperation and market access issues;
- New Working Group on supply chain resilience;
- Launch of India-EU 'Connectivity Partnership' – an inclusive, viable and sustainable model to connectivity;
- Cooperation on High-Performance Computing;
- Financing contract with EIB for Euro 150 million for the Pune Metro Rail Project;
- EU joins Coalition for Disaster Resilient Infrastructure

The EU was India's largest trading partner in goods 2019-20, with total trade close to USD 90 billion. The EU's strength in regulatory matter and standards is also of value to India. India is already closely cooperating on digital standards. It has also taken a lead in Sustainable Financing. For a more ambitious India, the EU is a natural partner.

#IndiaEU: Trade and Investment Relationship

- EU as a whole was India's **largest** trading partner while India was EU's **9th** largest trading partner in 2018
- EU is the **largest** source of Foreign Direct Investment into India
- Indian investments into the EU are estimated at Euro **50 billion**
- India is the **4th** largest service exporter to the EU and the **6th** largest destination for service exports from the EU

As of March 2020

The three broad clusters of discussions were 1. Trade, Technology and Connectivity, 2. COVID-19, Environment and Climate Change and finally, Foreign Policy, Security and Regional Issues. India and the EU have agreed to resume negotiations for balanced and comprehensive free trade and investment agreements. Negotiations on both the Trade and Investment Agreements will be pursued on parallel tracks with an intention to achieve early conclusion of both of them. Furthermore, on the economic front, both sides also agreed to have dedicated dialogues on WTO issues, regulatory cooperation, market access issues and supply chain resilience, demonstrating the desire to deepen and further diversify our economic engagement. There has also been an agreement to start negotiations on a separate agreement on geographical indications. India and the EU have also agreed on a comprehensive and ambitious Connectivity Partnership covering digital, energy, transport and people-to-people connectivity.
