## **TENDER NOTICE**

The High Commission of India (HCI) in London, the United Kingdom invites bids from reputed agencies, for re-design, hosting and maintenance of the website of High Commission of India, London, United Kingdom.

### **Broad Scope of work**

The work would broadly include:

- i An overhaul of the website design to make its layout more attractive, user friendly and practical.
- ii Maintenance of the High Commission website for a duration of three (3) years, from the time of awarding of the contract.
- iii Enhance the design of the website, add new pages, application forms, applications related to HCI for the needs for High Commission and Ministry of External Affairs (hereafter referred to as MEA or Ministry) from time to time as part of the scope of work.
- iv Deployment of a dedicated team to provide services as and when requested on a 24 x 7 basis. This will be in addition to the tech support the agency is expected to provide. The team should consist of a designer, developer, security auditor and database administrator.
- v Editing & uploading of content including documents, PDFs, images in GIF or similar format, videos, web links, etc. Contents should be uploaded and published within 30 minutes to one hour of receipt from HCI.
- vi Server space should be at least 256 GB
- vii The agency needs to be able to handle content in at least English and Hindi languages
- viii Designing of webpages / modules on special occasions on a case to case basis as per Ministry's requirements, on the occasion of International Day of Yoga, Republic Day/ National Day events, etc.
- ix To ensure that the website is GIGW (Guidelines for Indian Government Website) compliant, available at <https://guidelines.india.gov.in/introduction/>, and has the requisite features ensuring accessibility for physically disabled

persons. The website should also observe the W3C guidelines available at [www.w3.org/TR/WCAG20-TECHS/PDF7.html](http://www.w3.org/TR/WCAG20-TECHS/PDF7.html)

- x HTTP Secure (HTTPS) / Secure Socket Layer (SSL) for hosting of website. Carrying out security audit of the website and procurement of digital and other security certificates (eg. SSL, website quality certificate etc.) as and when required.
- xi Designing of a URL shortened for the High Commission.
- xii To re-develop and maintain a robust, tamper-proof Online Appointment Scheduling Application module with state of the art features to prevent ‘rent-seeking’ or ‘slot-blocking’ activities for all Consular Services on the High Commission’s website. (for information may refer to the existing website of the High Commission, here [https://www.hcilondon.gov.in/appointment\\_home/](https://www.hcilondon.gov.in/appointment_home/))

### **Detailed Scope of Work**

#### **A. Website Design**

- i Website must be responsive.
- ii Website must be designed, developed, deployed and maintained according to W3C Guidelines and the Guidelines for Indian Government Websites (GIGW), MEA and NIC website guidelines.
- iii The website must be developed using well established technologies preferably Open Source environment without using any third party tool or framework, which may incur any additional financial implications for the High Commission subsequently.
- iv Enterprises Database and SSL to be used for the website development and maintenance.
- v Hosting must be done on servers located in India, and owned by an Indian agency. If the website is to be hosted at NIC Cloud (Meghraj) environment, the agency must ensure and use the available technology environment at NIC Cloud for the development. The hosting agency will need to get clearance of security audit of the website by Ministry of Electronics and Information Technology (MEITY) / CERT empanelled agency. Website to be hosted in India on Virtual Private Cloud of the vendor with hack proof security and as per the latest guidelines of MEA and NIC on VPC hosting.

- vi Compliance of web standards and guidelines issued by Government of India from time to time and certification by the CERT empanelled agencies, MEITY for GIGW compliance. A cyber audit including a VAPT as per OWASP top 10 vulnerabilities must be carried out by a CERT empanelled auditor before making the site live.
- vii Creation of documents including user and technical manuals.
- viii Providing training to the staffs of the High Commission regarding maintenance and monitoring of the website.
- ix Transfer of Source code and other credentials for the website to the High Commission as and when requested.
- x Responsive design compatible with the OS (android and iOS) of leading handheld devices and browsers.
- xi Aesthetic and Modern appearance
- xii At least three design options / templates need to be provided with technical presentation for home page as well as inner pages of the website.
- xiii Upon selection, the selected agency will need to provide FRESH designs incorporating inputs from the High Commission of India, London, UK, if any, for the website for the High Commission to choose.
- xiv High Commission will reserve the right to choose and finalise the new design for the website. Redevelopment of the website will start only after the design of the website gets finalized.
- xv Design must have Search Engine Optimization (SEO) boosting elements or it must at least be SEO friendly. It must display highly user-friendly information architecture (IA) and offer clear navigation. The design of the website may undergo changes during the period of contract as per the guidelines of MEA from time to time. The company should make such mandatory changes without any additional cost to the High Commission.
- xvi Website speed optimization.
- xvii Customization of user interface in terms of colour, font size and language, etc.
- xviii Social Media Integration.

- xix Any other related feature which may make the website efficient, subject to approval from HCI.
- xx HCI may ask for addition of any new feature as per its requirement due to advancement of technology.

**B. To Re-develop and Maintain Online Appointment-scheduling Application**

- i It should allow applicants to book an appointment for Consular Services (like Visa, Passport, OCI etc.) in any of the existing locations in the UK.
- ii The feature should be tamper-proof and fool-proof to protect from misuse.
- iii The application should be able to safeguard against multiple slots booking by an applicant.
- iv The application should have mechanisms to prevent touts and travel agents from blocking appointments and creating artificial scarcity.
- v The High Commission should be able to cancel any appointment or multiple appointments from back-end.
- vi The application must facilitate any other adjustments from the back-end if required.
- vii The application must synchronize with the holidays of the High Commission and the holidays of HCI's Outsource Support Agency engaged for delivery of consular (CPV) and OCI services.
- viii The application must be able to modify the number of slots, their duration/location etc. on different dates, as desired by the High Commission.
- ix The server capacity should be adequate to handle multiple requests at a time.
- x Online Appointment scheduling application should be fully integrated with Official Website of High Commission of India, London.
- xi Data should be stored in India.
- xii Any other related feature which may make the appointment system efficient, subject to approval from HCI.

- xiii HCI may ask for addition of any new feature as per its requirement due to advancement of technology.
- xiv May refer to the existing appointment scheduling application on the website of the High Commission, here [https://www.hcilondon.gov.in/appointment\\_home/](https://www.hcilondon.gov.in/appointment_home/).

### **C. CMS Maintenance:**

- i Maintenance and re-development of a customized Content Management System (CMS). CMS must be flexible and scalable to accommodate suggested changes / modifications including design and IA, as and when required during the contract period.
- ii CMS must have simple workflow and publishing controls.
- iii CMS should have simple and easy administration.
- iv CMS must have Search Engine friendly attributes.
- v CMS must have security features.
- vi CMS must have robust content templates.
- vii CMS must support detailed analytics for each section of the website.
- viii Comprehensive SEARCH functionality on homepage as well as on each section of the website. Auto archival mechanism to maintain the archived documents with proper classification and auto archival system.
- ix Content optimization including images.
- x Role / Level based access to users for content updates.
- xi Audit trails of the documents hosted on the website should be maintained and should be accessible to the administrator as and when required.
- xii Content of each section should be shareable by the user on multiple platforms such as Facebook, Twitter, WhatsApp, Email, etc.

#### **D. Website Maintenance:**

The maintenance support being sought is for three [3] years from the date of successful launching of the website, extendable for two (2) more years as per High Commission's discretion.

It would include the following:

- i Upgrade/update content and structure of HCI's current website.
- ii Maintenance of CMS and technical modifications as and when required.
- iii Creation of new web pages within existing site as and when required.
- iv Website design changes as and when required.
- v Website technical functionality upgrade as and when required.
- vi Monitoring and maintaining website speed, sign up process, navigation links etc.
- vii To design and upload banners, iQuery, graphic artwork, infographics and audio – video files, etc. on the website.
- viii Formatting and posting of content updates, images, videos etc. on regular basis. Conversion of documents to required format such as HTML / HTMLS.
- ix Bug fixing and keeping website secured from all possible cyber – attacks and hackers at all times.
- x Security audit as and when required.
- xi Execution of Search Engine Operation (SEO) inputs.
- xii Content upload and website support on 24x7 basis.
- xiii Keeping activity log for all web updates.
- xiv Creation and maintenance of archive section on the website.
- xv Trouble shooting.

- xvi Regularly monitoring of the website with 24 X 7 monitoring tools and intrusion detection system facility.
- xvii Complete regular repairs as needed to scripting languages, basic HTML, broken images, broken links and all other malfunctioning code or components.
- xviii Periodic full backup of website throughout the duration of the contract
- xix Provide a report on site traffic statistics and search engine analysis reports on a monthly basis.
- xx Give monthly updated reports to HCI about number of visitors, geographical distribution of visitors, average time spent on the website, most visited sections/pages etc. besides other analysis.
- xxi Show number of visitors to the website
- xxii Provide HCI with two off site coordinators for all the tasks related to the website design and maintenance and repairs respectively.

#### **E. Website Hosting:**

In case website needs to be hosted at NIC Cloud environment or VPC servers recommended by Ministry of External Affairs, then hosting of the website will be done by the agency with the allocated credentials provided by NIC, if hosted with NIC. Agency will need to work closely with NIC or VPC service providers to deploy designed and developed website on NIC server / cloud.

#### **F. Timeline for completion of activities:**

This timeline will be finalized with the successful vendor post selection as mutually agreed.

Indicative Timeline:

- i. Vendor to share template of the new website with HCI – within one (1) week after signing of work order.
- ii. Responsive website development – within three (3) weeks after the new design is agreed between HCI and the Vendor.
- iii. CMS Updating- Continuous update based on change in design.

- iv. Module on database- one (1) month. Extra updates based on requirements

### **Validity & Extension of Contract:**

The contract will be signed initially for a period of three (3) years. This period may be extended for a further period of two (2) years at a time (with a maximum of two successive extensions) at the sole discretion of the High Commission on the existing terms and with the written consent of the selected agency. The agency during the period of contract will carry out changes to the website, without any additional cost to the High Commission, as may be necessary [viz., technical, content, design, security features or other parameters] as and when such changes are mandated by the Ministry of External Affairs, Government of India.

### **Bids**

A two-bid system (Technical & Financial Bids) will be followed. The technical bids shall be opened on 25.09.2023 at 1500 hours (BST) at High Commission of India, London, UK in the presence of those bidders who may desire to be present at that time. The Technical Bid / presentation will be evaluated by the Technical Evaluation Committee of the High Commission.

### **Minimum Eligibility Criteria:**

- i Earnest Money Deposit (EMD) of the amount of USD 100/- or equivalent INR in the form of Demand Draft / Bank Guarantee in favour of High Commission of India, UK.
- ii The agency should hold valid PAN, Sales Tax /GST /VAT registrations.
- iii A minimum of three years of experience in the relevant area such as working with Indian Government websites, including Embassy websites, portals applications and execution of a work of similar nature of projects value worth at least INR 1 Cr – per year, in the last three years.
- iv The average annual turnover of the agency should be at least INR 3 Cr for the last three financial years. The agency is required to submit a certificate from its auditor to this effect. The turnover figures for the preceding three financial years should also be marked clearly on the balance sheet. Turnover figures only for complete (not partial) financial years shall be accepted. In case the agency has multiple business wings, turnover figures

of only the software development / related branch shall be considered and the agency will have to submit the said figure.

- v The agency should neither be blacklisted by any Government Department nor should any Criminal case be registered against the agency or its owner or partners anywhere in India.
- vi Agency must have filed Tax Returns for the last three years.
- vii Agency must be at least a CMMI level 5 or 3 company. However ISO9001:2015 (Quality Management) and ISO 27001:2013 (Information Security) may also apply.

### **Pre-bid Meeting**

- i A prospective bidder, requiring a clarification on the Tender document shall notify High Commission of India, UK via email to [sspni.london@mea.gov.in](mailto:sspni.london@mea.gov.in) within the timeframe as indicated in the Data Sheet.
- ii High Commission of India, UK will conduct the Pre-bid Meeting on 11.09.2023 at 1500 hours (BST)-virtually to address the submitted queries.

### **Submission of Bids**

#### **OPTION I**

Bids can be delivered by post / courier / by hand at the reception of the High Commission of India, London. It is to be addressed to **Second Secretary (P&I), High Commission of India, India House, Aldwych, London, WC2 B4NA**. All the necessary documents including those in support of eligibility criteria etc. are to be submitted in two sealed envelopes (Envelope 'A': Technical Bid (documents as detailed in Annexure I) and Envelope 'B': Financial Bid (as in Annexure II)). These two envelopes are to be put in another sealed envelope superscribed with **"High Commission's Website"**.

#### **OPTION II**

Bidders can send the Technical and Financial bids **via email to official email ID [sspni.london@mea.gov.in](mailto:sspni.london@mea.gov.in)** in the PDF format. The Technical Bid is to be sent as an open document and Financial Bid should be sent as **Password protected PDF** file

along with technical specifications. The password will have to be shared by the bidders exactly on the date and time specified for opening of the Financial Bids, which will be intimated to the Technically Qualified Bidders following the completion of Technical Evaluation.

**Technical Evaluation:**

- i Only the agencies who fulfil the Minimum Eligibility Criteria and upload the documents as mentioned in **Annexure I** shall be eligible for technical evaluation. Such agencies shall be required to undergo a technical evaluation.
- ii As part of the technical evaluation, agencies will have to give a technical presentation to the High Commission covering the points as mentioned in the table below. The technical evaluation of the bidders shall be made on the following points:

**Minimum Eligibility Criteria**

Number of Government of India Website including Embassy / High Commission / Consulate Portal maintenance contracts (duration equal / more than 1 year) in last 3 years	10 marks [ <= 20 = 02 marks 21<= 30 = 04 marks 31 <=40 = 06 marks 41 <=50 = 08 marks 50> = 10 marks]
Number of contracts for development of Web Applications for Government of India in last 3 years	10 marks [ <=02 = 02 marks 03 <=04 = 04 marks 05 <=06 = 06 marks 07 <=08 = 08 marks 09 < =10>=10 marks
Company Standards	10 marks ISO 9001:2015 and ISO 27001:2013 : 7 Marks CMMI Level 3 : 7 Marks Both CMMI and ISO : 10 Marks CMMI Level 5 : 10 Marks
<b>Total</b>	<b>30 Marks</b>

Companies must obtain at least **70% (21 Marks)** for above said criteria to gain Minimum Eligibility Criteria

Technical Presentation *(described below)	70 marks
--	----------

**\*\*In addition to the criteria of *Scope of Work*, the Technical Presentation will be evaluated on the following criteria covering but not limited to the below-mentioned areas:**

<b>Proposed web design (Weightage : 30)</b>	<b>Technical specifications (Weightage :20)</b>	<b>Proposed improvements (Weightage: 10)</b>	<b>Resources (Weightage : 10)</b>
<ul style="list-style-type: none"> <li>-Modern, aesthetically appealing design</li> <li>-well structured, clutter free</li> <li>-Ease of navigation</li> <li>-Improved GUI</li> </ul>	<ul style="list-style-type: none"> <li>-How does the bidder plan to make the website more secure</li> <li>-compliance with GIGW norms</li> <li>-Compatibility across devices / operating systems</li> <li>-Search ability of content</li> <li>-Systems / database, record keeping, troubleshooting, bug testing etc.</li> <li>-Appointment module design and management</li> <li>-Other security features</li> </ul>	<ul style="list-style-type: none"> <li>-New interactive features</li> <li>-How does the bidder plan to drive traffic to the site?</li> </ul>	<ul style="list-style-type: none"> <li>-How much manpower will the bidder dedicate to this contract (front and back end)?</li> <li>-Estimated response time for creating a simple module / web page</li> <li>-Time required to switch to the new design</li> <li>-Responsiveness to Ministry's requests for customization</li> </ul>

iii The minimum qualifying score shall be **75 (out of 100)**.

### **Financial Round:**

Only agencies who qualify in the Technical evaluation round will be eligible to participate in the Financial Bidding Round. **The date and time for opening of the Financial Bid will be intimated on later date.**

The bidder will quote their ‘**per year rate**’ (*exclusive of applicable taxes*) for carrying out the entirety of the scope of work. The rates shall be quoted in the Online BOQ sheet (*a sample is provided with Tender documents as **Annexure II***).

No change in Financial Bids is allowed after the last date of submission of Tender documents.

### **Terms & Conditions**

Tender Bids received after the closing date and time will not be entertained.

- i The High Commission reserves the right to extend the last date and time for submission of the bids on its own discretion.
- ii The bidding agency shall bear all costs associated with the preparation and submission of its bids and the High Commission of India, London, UK will in no way be held responsible or liable for these costs, regardless of the conduct or outcome of the bidding process. It is also clarified that no binding relationship will exist between any of the bidders and the High Commission until execution of a contractual agreement.
- iii The bids shall remain valid for a period of 180 (One Hundred & eighty days) from the last date of submission of bids.
- iv Failure to furnish all the required information may result in rejection of the bid.
- v Agencies applying for the tender will submit a certificate that the information submitted by them is correct and they will abide by any decision of the High Commission. In case the information submitted by the agency is found to be false and/ or incorrect in any manner, the agency can be suspended and/ or debarred.
- vi Any notice by one party to the other, pursuant to the Contract, shall be sent by e-mail / letter and confirmed in writing to the address specified for that purpose in the Contract.
- vii To assist in technical evaluation, the High Commission reserves the right to call for any clarification from any / all bidding agencies during the evaluation of the bids. Such clarification should be submitted only in writing. However, no other correspondence on bids will be entertained.
- viii Participation in this bid will imply that the bidder has accepted all the terms and conditions and subsequent modifications, if any, of this bid document.

- ix The High Commission shall have the sole proprietary rights over the content created / edited / provided by the agency who has been awarded the contract through this tender.
- x In all matters related to dispute relating to this tender, the decision of this office will be final and binding upon the agency.
- xi The High Commission reserves the right to accept or reject any or all bids without assigning any reasons at any stage of tender process. No bidders shall have any cause or claim against the Ministry for rejection of their bid.
- xii **Payment Terms:**
- o The price quoted shall remain fixed and not be subject to variations in exchange rate, duties, levies, etc.
  - o The agency which has been awarded the contract shall submit the bills within a week of expiry of the billing period.
  - o Only applicable taxes shall be applied in addition to quoted rates.
- xiii Agency must procure and provide all the hardware and software required by its project team to enable them to meet the target assignment.
- xiv The High Commission expects the agency to engage professionals to undertake the project and reserves the right to call for resumes, documents relating to their professional background, expertise and their achievements.
- xv Quality of work and completion of task within the time schedule (as notified with each assignment) are of paramount importance and any lapse may lead to cancellation of the contract with the agency without any further notice.
- xvi Notwithstanding any of the provisions mentioned above, for rates and other terms and conditions, in case of any disagreement etc., decision of the Ministry will be final and binding on all bidders participating in this bid.
- xvii **Earnest Money Deposit:** Bidders are required to submit an Earnest Money Deposit (EMD) of amount of USD 100 or equivalent INR as described in Annexure I. It must be delivered to the High Commission of India, London, UK in the form of Demand Draft/Bank Guarantee in favour of High Commission of India, London.

The EMD of un-successful bidders will be returned after the award of the contract within 4 weeks. Earnest Money Deposit with High Commission of India, London, UK for the purpose of tender will earn no interest.

EMD will be forfeited on account of one or more of the following reasons:-

- The Bidder withdraws / modifies his bid during the period of bid validity.
- In case the selected bidder fails to sign the agreement in time and furnish Performance Bank Guarantee.

xviii Bidders are required to upload documents exactly as described in Annexure I.

### **Performance Bank Guarantee:**

The successful bidder shall provide a Performance Guarantee for the due and faithful performance of contract for a sum of 10% of the total contract price before the signing of Agreement. The Performance Guarantee should remain valid for a period of 60 days beyond the date of completion of contractual obligations. Earnest Money Deposit of the successful bidder will be returned after submission of Performance Guarantee, within 4 weeks.

Refusal or inability or delay by successful bidder to supply all deliverables as per scope of work at the contracted rate may result in termination of the contract and forfeiture of Performance Guarantee (PG) as well as disqualification of the bidder from participating in future tenders.

### **Agreement Deed:**

The successful bidder shall execute an agreement for the fulfilment of the contract at the time of award of contract. The incidental expenses of execution of Agreement / Contract shall be borne by the successful bidder. Agreement / Contract will be signed after the submission of the Performance Bank Guarantee (PBG) which shall be 10% of the Contract value.

### **Penalty Clause:**

- i If the bidder withdraws or alters the bid before the expiry of bid validity period, High Commission may take the decision to forfeit the EMD and debar it from participating in future tenders.
- ii If at any future point of time it is found that the bidder has submitted information which is factually incorrect or if the bidder does not fulfil any of the contractual obligations, the High Commission may take a decision to cancel the contract with immediate effect, and / or debar the bidder from bidding

prospectively in this and all other tender procedures for a period to be decided by the High Commission and take any other action as deemed necessary. The penalty with respect to its time period shall be quantified by the High Commission at its own discretion / satisfaction.

- iii It would be the first and foremost responsibility of the contractor to ensure that the services are being provided satisfactorily and contract is executed as per agreed terms and conditions. In the event of delayed or unsatisfactory services, this High Commission may recover a sum from the contractor equivalent to minimum of 0.5% of the price for any portion of services delayed / negligence in service. The maximum amount which shall be recovered would be 10% of the price for any portion of services delayed / negligence in service.

#### **Settlement of Disputes and Arbitration:**

- i This agreement shall be governed by, and construed in accordance with, Indian law in the territory 'New Delhi' only.

#### **FORCE MAJEURE:**

- i The High Commission may consider relaxing the penalty and delivery requirements as specified in the tender document, if and to the extent the delay in performance or failure to perform its obligations under the contract is the result of Force Majeure.
- ii Force majeure as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, or any other acts of a similar nature or force, provided that such acts arise from causes beyond the control and without the fault or negligence of the contractor.
- iii In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the affected party shall give notice and full particulars in writing to the other party, of such occurrence or cause if the affected party is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the contract.
- iv The affected party shall also notify the other party of any other changes in conditions or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. On receipt of the notice or notices required hereunder, the party not affected by the occurrence of any cause constituting force majeure shall take such action as it reasonably considers being appropriate or necessary in the circumstances, including

granting the affected party of a reasonable extension of time in which to perform any obligations under the Contract.

- v If the contractor is rendered unable, wholly or in part, by reason of force majeure to perform its obligations and meet its responsibilities under the Contract, the High Commission of India, London, UK shall have the right to suspend or terminate the contract on the same terms and conditions with immediate effect. In any case, the High Commission shall be entitled to consider the Contractor permanently unable to perform its obligations under the Contract in case the Contractor is unable to perform its obligations, wholly or in part, by reason of force majeure.

### **Liquidated damages and terminations:**

- i In case of quality of service provided by the contractor found wanting / inadequate, the competent authority may terminate the contract agreement after giving 15 days' notice. In that case the competent authority may forfeit the Performance Guarantee deposit.
- ii In case of a material breach of any of the terms and conditions mentioned in the Tender document, the competent authority will have the right to terminate the contract, cancel the work order without assigning any reason and nothing will be payable by High Commission in that event and the Performance security deposit may also be forfeited.

### **Closure of Contract**

While making the final payment to the contractor and before releasing the PBG, a 'no claim certificate' shall be taken from the contractor as per the format given in the Annexure 21 of Manual for the Procurement of Goods, 2017 (Annexure IV of Tender document below).
